To the Class of 2016

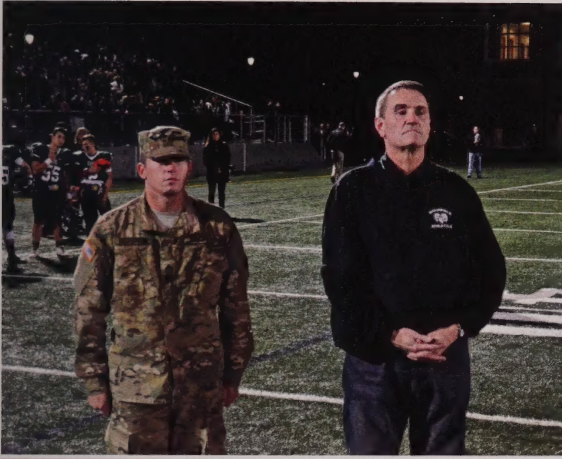

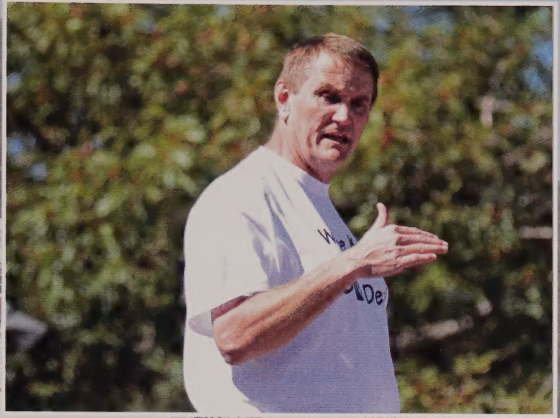

Class of 2016,

One Hundred Twenty-Four years ago the founding fathers of the town of Marshfield decided that a school was needed to provide the children of the town the opportunity to learn and grow as individuals. The opportunity of yesteryear is the same today as you have been challenged as students to learn, to grow and to develop the ability to **THINK**. The ability to apply information, to analyze data, to evaluate situations and to create something new are the skills that you have mastered at our school as you have matured into adulthood. We trust that going forward that you will **THINK**, make informed decisions, discern right from wrong, and most importantly that you would exhaust yourself in the pursuit of being the best you can be.

Finally, as you go forth to make an impact in our world, remember to be humble and kind. These are traits that will set you apart and make our world a better place.

We Are Marshfield!

Well Done.
Principal Keuther

We The Class of 2016 dedicate This Yearbook To

Mrs. Shattuck

"I would like to see the yearbook dedicated to Mrs. Shattuck this year. She brings a lot to the classroom. She is always energetic in her lessons which makes the class a lot more fun and pleasant. She is always willing to stay after for extra help. Her positive attitude is much appreciated by her students."

"I would like to nominate Mrs. Shattuck for this year's yearbook dedication because she is a teacher who really cares about her students, who is kind, and even willing to help students who are not in her math class. She's extremely deserving."

"Mrs. Shattuck is enthusiastic, dedicated, and smart. She wants the best for her students and is always willing to help. She is always in a good mood and can cheer anyone up."

We The Class of 2016 dedicate This Yearbook To

Mr. Battis

"Mr. Battis b/cuz he's the man"

"I chose Mr. Battis because he is truly an outstanding human being. He has personally helped me out in so many different ways. I also truly believe he is going to make an amazing impact on this school with his new title of Assistant Principal."

"Mr. Battis would be a great choice for the yearbook dedication. Throughout our high school career, many of us have had him as a teacher, department head, coach, assistant principal, role model, and friend.

Mr. Battis makes it obvious that he loves his job and would do anything for anyone of his students if need be. Therefore, we should dedicate our yearbook to him in thanks for all that he's done for us."

"I believe that the yearbook for 2016 should be dedicated to Mr. Battis. Before I came to the high school I heard nothing but wonderful things about him. Once I got here I was greeted everyday with a hello and a smile before he even knew my name. He brings an extremely positive attitude to this school and also sees the best in every single student regardless of the situation. This year he has stepped up to become one of our assistant principals and he has been phenomenal. He stops by my street law class when he has time and provides quick, yet very useful knowledge, protects our school, and also protects our town as a police officer. Mr. Battis, I feel, is fully deserving of the dedication."

Lauren D'Amato To the Class of 2016:

Class of 2016:

You did it!

I want to first congratulate you on your accomplishment of graduating from Marshfield High School- Class of 2016, there will only be one class and you are that class! This is an incredible achievement not to be taken lightly.

I am proud to be your class advisor. We excelled together while completing community service, showing pride for our school and class and donating thousands of items to local charities. I am grateful to have worked with you regarding your effort and dedication to these causes. Over the last four years, we donated over 2,500 items to the Marshfield Animal Shelter, Sewing Seeds and the Marshfield Food Pantry. I personally helped deliver items to the animal shelter and cannot put into words how appreciative the control officer was to receive your contribution. This appreciation is what community service and volunteering is all about. Congratulations! As you move forward, keep these values in mind, help someone in need, donate clothing and food and volunteer your time to help others. Whether you're going into the military, entering the work force or going off to college, these characteristics will allow you to obtain anything you put your mind to.

You made a difference not only in our school and in our community but also to me. To see young adults take on so many positive roles for our younger students, truly showcased your leadership in our school. Become leaders in your life. Take control and do what you want to do, this is it... this is your time.

Good luck in everything you do, strive for excellence and then visit or write your past teachers and friends tell them about it. I look forward to hearing about your future endeavors and I hope you all stay in touch so I can hear about your accomplishments. Thank you for the wonderful memories over the last four years, from Freshman Fun Night to Mr. Marshfield and Junior Prom to Senior Night Out. I was thankful that I was able to watch you grow and share in your high school celebrations. I wish you nothing but happiness in your future and I hope you look back on your four years here at MHS warm heartedly.

Your friend and advisor,
Lauren D'Amato

Class History

The Class of 2016:

Over the past four years, we have grown as a class and as friends to accept new responsibilities at home, in school, and in our community. We have grown up together through the good times and the bad. Whether we go to college or join the workforce or anything, Marshfield will always be our home.

Freshman year we came together as a class in the old building. We fought our way through the congested halls to our homerooms in the English Wing for our first day of school. Mr. Keuther challenged us to give 100% at home, in school, and in our community. We challenged ourselves to make friends in high school. We celebrated at our first Pride Week, winning the poster portion. We also went to the gym to party together at Freshman Fun Night. The boys' ice hockey team made it to the Garden, and we followed them as superfans.

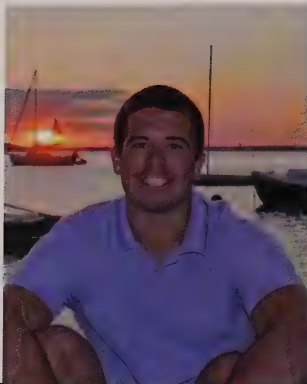

Sophomore came quickly, but we were ready. We knew where the classrooms were and which bathroom stalls closed. We challenged ourselves to Grow Up, Show Up and Step Up. We made history by winning the Powder Puff tournament as underclassmen. As we said goodbye to the old school, we left our mark on the building by painting the ghetto hall for the Special Olympics and taping a blue whale onto the lockers in the science wing.

Junior year we entered the new school as upperclassmen. Even though the three flights of stairs felt like a climb up Mount Everest, we made our way to the top of Pride Week by winning Powder Puff for a second year in a row and winning the entire week. The football team took home the D2 State Champs title, and we were at Gillette to support them. We planned the return of Mr. Marshfield, raising funds for our class and raising spirits for our town; the boys brought down the house. As May rolled around, we came together to plan our junior prom at Indian Ponds. We danced our hearts out in formal wear.

Finally, senior year we proved that we're kind of a B16 deal during Meeting on the Mountain. As a class, we won our second Pride Week and our third Powder Puff. We ruled the school from the senior parking lot. Our class faced senioritis in our last few months as we ventured off to Italy, Spain, and so many conferences. And now, we're graduating together!

Sincerely your officers,

Will Shaw, President

Congratulations to the Class of 2016!

"Let neither defeats discourage you nor discouragements defeat you. Success is merely in how high you bounce when you hit the bottom." I send my regards to Mrs. Vitez and all members of student council, Mrs. McGourty and all members of the history club (past and present), Coach Shepherd and all valued friends in the track program, all of my teachers from STEM to English to History! (Kopp, Palladino, Healey, and Centorino). Thank you to the guidance program (Smith, Lewis, and everyone else) And last but certainly not least thank you to the football program (Silva, Nap, Arouca, Reardon, Landry, Dalton, Upson, Leonard, and Noble). You all have my utmost respect and gratitude for helping me realize who I am and what I can become. Thank you.

Jan-Vitaut Peceevich

"The man who passes the sentence should swing the sword. If you would take a man's life, you owe it to him to look into his eyes and hear his final words. And if you cannot bear to do that, then perhaps the man does not deserve to die."
- Ned Stark, A Game of Thrones

Throughout my years at MHS I have made a lifetime of memories. The Daily grind with my brothers on the football field, winning a State Championship at Gillette stadium, roman candle fights with Heather, filming in Telecom, driving around in the jacked up truck, Mr. Landry forgetting the 'S' in my last time and calling me "Ramo", snowball fights in cafe study, and all of the adventures with all of the lifelong friends I have made in these four years. The list of memories is endless and I wouldn't trade these years for anything else.

One Last Piece of Advice:

Think Your Best: Every person should have at least a few positive thoughts every day. Positive thoughts and ideas are going to help define the direction of your life. Thinking your best can mean putting the needs of others before your own. When you think your best, you will put yourself in a position to succeed in whatever situation you will find yourself in.

Try Your Best: If you don't try, you won't get results. If you want to achieve any goal that you have, you have to show the effort that it takes to reach that goal. When others see that effort, they will also see the desire that you have to be a successful person. When you try your best, you are showing others that even if you don't succeed, you still put in the effort and desire to give yourself the best possible chance to accomplish your goals.

Be Your Best: You should always make sure that no matter what life throws at you, that you always represent yourself the best way possible. It can mean looking out for the well-being of others, or just maintaining a positive attitude even if you are not having a good day. When you are at your personal best, good things will happen to you and the people that surround you.
